TELEHEALTH NETWORK UPDATE

USAC Funding

For those sites that receive funding from USAC/RHCD for their T1 lines: Please fax us a current copy of your Alltel bill. Your T1 line bills should begin to show support for the 2005 funding year. I have also filed all of the T1 line form 465's for the 2006 funding year. Please call if you have questions or concerns.

Connecting

Please remember to contact the video conferencing or education department at your site if you interested in connecting to any program offered via video conference. The program site does not schedule the equipment and room at your sites location.

You can access these program offerings and more descriptions of these programs and other meetings on the HHA web site at:

<http://www.hha.org/home/>

Please contact Carol or Kandi if you are interested in connecting for any of these programs.

There is a current **contact and IP address information** sheet on the HHA web site. We will continue to update it as we add each site to the network. Please let us know if you have difficulty accessing this information.
