TELEHEALTH NETWORK UPDATE

USAC update

I will be filing the form 466 for the 2007 funding year with the Rural Health Care Division of USAC soon. **It is important that I have a copy of the July, 2007 T1 line bills for those sites that received USAC funding.** RHCD/USAC requires this for supporting documentation. Please fax those to us as soon as you receive them.

Monthly Alert tests

Please remember that you all connect through the BryanLGH Bridge for the monthly test. The IP address is:

72.15.191.206

Scheduling website

All up coming program offerings are listed on the scheduling website. This is a tool that enables everyone in the state to see all program offerings AND register for them in the same location. Please call if you have questions about this process. The address for this site is listed below.
