## TELEHEALTH NETWORK UPDATE

### TAX EXEMPTION

Please watch for the federal exempt forms sent to you by your telecommunications provider. Please get those in when they are sent. If you have not yet returned your state forms, please do so. Please remember, each T-1 site is only responsible for \$100 per month, but this DOES NOT take into account the federal and state taxes. Your site is responsible for those taxes until the exemption forms are filed.

### PROGRAM FEES

Please notice that the Trauma Symposium is an individual rather than a site charge. The physician CMEs are 6.25 cat 1 hrs for \$130. The nursing CEUs are 7.5 contact hours for \$55. Please contact Carol or Kandi as soon as possible if your site is interested in connecting. Final sign-up date is Friday, September 23, and we are limiting the connection to six sites.

### TRAINING

We are nearly finished with the instruction manuals and will send those to each site when they are completed. Please look for them.

You can access these program offerings and more descriptions of these programs on the HHA web site at:

Please contact Carol or Kandi if you are interested in connecting for any of these programs.

There is a current **contact and IP address information** sheet on the HHA web site. We will continue to update it as we add each site to the network. Please let us know if you have difficulty accessing this information.
